

The SOAR Report

Tracking Solutions to Homelessness

Report 1.0 January – June 2012

This regular scorecard tracks the outcomes for Connecticut's Statewide SOAR (*SSI/SSDI Outreach, Access & Recovery*) Initiative—a partnership of government, nonprofit, healthcare and employment organizations creating permanent solutions to homelessness by increasing income, access to healthcare, and jobs for persons who are homeless or at-risk of homelessness with mental illness and other serious health problems.

SOAR statewide partners include Social Security Administration, Disability Determination Services, Department of Mental Health & Addiction Services, Bureau of Rehabilitation Services, Department of Social Services, Department of Correction. Local partners include Columbus House, Yale-New Haven Hospital, New London Homeless Hospitality Center, Community Health Center, Human Resource Development, St. Vincent DePaul, Supportive Housing Works, Journey Home.

SOAR Statewide Indicators, 2012
